Postgraduate Application Form

Getting your application right

1. Read this section carefully before you start
2. Fill in all relevant sections of the form. Please write in CAPITALS using BLACK INK.
3. Don't forget to give us your photo in electronic format.
4. Email your completed form and supporting documents to info@athtech.gr. Remember that you are required to submit the hard copies of your documents.

Remember:

- If you need extra copies of the paper form, you can download them from our website.
Note: General Data Protection Regulation (GDPR) - The information contained in this application will be used for the purpose of processing your application and, if you are admitted, will form the basis of your student record.

Filling in the form

General Instructions

You may find here instructions on how to fill in the various sections of the application form. Not all sections have specific instructions, as most of them are self-explanatory. Please find below the ones that need your attention.

A. Personal details

Please give your name as it appears on your passport or ID Card. If your forename and family name are not clear, your application could be delayed.

B. Contact details

The College will address all correspondence through the address provided in Section B. It is essential that the College is notified of any change of address/email at the earliest opportunity.

C. Programme of study details

Please indicate the mode of attendance by which you wish to study (e.g. full-time, part-time, executive mode).

D. Funding details

In order to be informed about tuition fees, you may contact the College directly.

E. Previous education

Our minimum entry requirements are listed in our prospectus and on our website. If you are not sure your qualifications are suitable, contact the Admissions Office before you apply. Applicants are strongly encouraged to supply additional information to support their application. Please use this section to include this information, and continue on a separate sheet if necessary.

F. English language details

We use the information you give us to decide whether or not you meet the English language requirements for your chosen course. A list of the English language qualifications and the minimum grades we accept can be found on our website. If you don't have one of the qualifications listed, we may offer you a place on the condition that you submit an acceptable language certificate before the commencement of the course.

All applicants should attach copies of the results of any English language examinations undertaken (please check our admissions requirements). Please include results of any examinations undertaken during any on going studies (e.g. year 1 or year 2 results of a current degree course). All copies of English language qualifications should be certified.

G. Your references

You can ask your referees to provide a signed and sealed reference (on headed paper from their academic institutions-for MA and MSc applicants) or you can ask them to complete the PG Reference Form, available at the end of this document. Your referees can then either send the references to you to attach to your application, or they can send them directly to us.

H. Supporting statement

In case you need more space, please attach a separate sheet providing information on the reasons for selecting the course you wish to study.

I. Checklist

It's important that you send your supporting documents with your completed form. We may not be able to process your application without them. If for any reason you can't send your documents with your form, use the checklist in section L to let us know when we can expect them. It's especially important to send copies of transcripts and certificates of your qualifications as soon as possible.

You can scan your documents and send them by e-mail to: info@athtech.gr

Make sure you put your full name and the course you're applying for at the top of the e-mail. Remember, if you are offered a place, you may be required to bring the original documents with you when you register.

Deadlines

Most postgraduate courses have no deadline for applications, unless you're applying for a specific scholarship. However, entry to all courses is competitive. To increase your chance of an offer, you should apply as early as possible. Applying early gives you more chances to be accepted.

What happens after we receive your application?

1. As soon as we get your application, it is processed and assessed by the Admissions Office and the relevant academic department.
2. When the assessment is complete and a recommendation is made, we notify you through email.

How long does it take?

The Admissions Office will try to send you a decision as quickly as possible. The process usually takes up to two weeks. Remember, if you send/email supporting documents separately, this can delay the decision

What can I do to speed things up?

1. Applicants are required to send all documents (application form, supporting documents etc.) through email or upload them using the on-line application form on our website. You may be required to submit hard copies of the above documents and this may be done via airmail or courier.
2. If your postal or email address changes, please let us know straight away. Contact us at the address below.
